A **workshop with Dieter Doepfer** will be held at Musikhaus Hieber Lindberg in Munich on **Saturday, December 05th 2015**. The modular system A-100 will be the central topic, Dieter will touch on many modules, older and newer ones, explaining their musical function. And there'll be a general discussion to round off the program.

You have a choice of two workshops:

- **13.00 o'clock** Doepfer Workshop – **BEGINNERS**
- **15.00 o'clock** Doepfer Workshop – **ADVANCED MUSICIANS**

The workshop is free of charge, but you are requested to register.
