

Arturia MatrixBrute Noir Edition (speak: nwa:R edisj3)

The latest MatrixBrute version is the so-called **Noir Edition**. It has a new paint job, new knob caps and some black ionized parts. And that's it. The synthesizer itself - the inner core - is MatrixBrute *pure*.

Whether **Noir Edition** or **Standard Edition**: The French synth monster (20 kilos ...) still has top features

Arturia MatrixBrute Noir Edition (speak: nwa:R edisjõ)

and is one of the most versatile analog synthesizers of today.
