Here’s an incredible rarity for sale in a New York studio. The pictured Korg PS-3300 looks fantastic and the starting bid seems not totally out of reach. Unfortunately, there’s no way to contact the seller in this auction (*“… this seller is not able to respond to your question”*).

[The auction was in 2012, no valid eBay Link in existence.]

That Korg PS-3300 is also shown in the following Youtube video:
