

Last GRP A2 (Series 2019) before prices to be raised

The price of the A2 synthesizer will be raised with the next series - as communicated by GRP. Increase in production costs leads to an unavoidable increase in the selling price in 2020 - the first since GRP launched the A2 synthesizer 3 years ago.

 GREATSYNTHESIZERS.com

While the GRP A2 costs 1200 Euros + VAT (and shipping) in 2019, the new price in 2020 will be 1500 Euros + VAT (and shipping).

Last GRP A2 (Series 2019) before prices to be raised

The decisive fact is: The instruments of the GRP A2 Series 2019 are the last available at the "old price".

Therefore our recommendation: If you want to get the first-class sound of the [GRP A2 synthesizer](#) in your studio, try to fetch one of the last A2 of the Series 2019.
