

**SUPERBOOTH23.** After [Part 1](#) of the tour we now continue with the colorful variety of the exhibition. From initially inexplicable performance parts to the beautifully designed Eurorack modules by [Befaco](#) or [Maneco Labs](#), from the [Oberheim](#) OB-X8 desktop module to the NINA by [Melbourne Instruments](#), the extraordinary 12-voice hybrid synthesizer ...

But despite all the wonderful equipment, it's of course the audience that counts ...
