

SYNTHFEST FRANCE (10 Years) – April 21st to 23rd 2023

The 10th edition of SynthFest France is just around the corner. Many instruments, many acts, many celebrities. Joachim Garraud, for example, will perform on Saturday, April 22, 2023, starting at 9 pm. The French producer and artist will return to his hometown of Nantes for this exceptional evening. Joachim Garraud will present the film “Modular California Vibes” as a preview.

“Modular California Vibes” is a documentary about the creation of electronic music aboard his mobile solar studio, where four producers record four original tracks for four days in four exceptional locations, all thanks to the sun. The screening of this film, unique in France, will be followed by a discussion and then a concert.
